

**How to Prepare an Outstanding Science Fair Project**  
**A Niagara Regional Science and Engineering Fair**  
**Community Outreach Initiative**

# Registration Form

Student's Name: \_\_\_\_\_

Age: \_\_\_\_\_

School in 2010/11: \_\_\_\_\_

Grade in 2010/11: \_\_\_\_\_

Parent's Name: \_\_\_\_\_

Contact Phone Number: \_\_\_\_\_

E-mail Address: \_\_\_\_\_

The following information will not impact the registration process, but will help us plan our sessions.

1) Has the student previously complete a science fair project? \_\_\_\_\_

2) Does the student plan on working with someone? \_\_\_\_\_ If yes, will the partner be registering for the program? \_\_\_\_\_ If yes, name of partner: \_\_\_\_\_

3) Does the school that the student attends usually host a science fair? \_\_\_\_\_

4) Briefly state topics of interest that the student might investigate for his/her project. Students do NOT need a firm topic until the second session.
