

What is requested to be on Judges page:

1) New judges

- a. Are you looking to participate as a new judge? Here are the criteria's that we are looking for and candidates:
 - i. Being scientifically oriented
 - ii. Have a College diploma or University degree
 - iii. Personable toward students
- b. Limitations to being a judge:
 - i. If you are a highschool or primary school teacher with **students of your class** in the fair, we would kindly ask that you not register for judging this year.
- c. Language:
 - i. 30% of our fair projects are French speaking, and thus we are always in great need for scientifically minded French language judges. Please help us by recommending friends that may meet this requirement.
- d. Process:
 - i. Please e-mail (nrsef.judge@gmail.com) with your name and credentials and a small explanation of your scientific interests/experiences. You will get a reply with a registration password.
 - ii. Once your password has been granted, login here and complete the questionnaire.
<https://secure.yzf-fsj.ca/sfiab/niagara/login.php>
- e. Review the rubric sheet on the previous page and the Judge's Guide
- f. See you on March 29th 2011!
